A sophisticated interior, infused with botanical themes and enhanced by a dominant copper kitchen, which creates a rich, bold design statement yet is intimate in ambience. The upmarket, relaxed setting is ideal for elegant dining, or if you prefer, bask around the fire pit and unwind with friends, clients, or colleagues in the al fresco courtyard.

LA SERRE

Inspired by our botanical surrounds, La Serre is French for glasshouse and is a whimsical embodiment of our locale, brought to life through a chic design. Enjoy a decor of lush emerald tones, rich brass, and a charming bar beneath a branching floral ceiling.
